

ROTBARSCH-FILET (Pulver)

As topping for your pet`s food

You want to add a fish-aroma to your pet`s food? Try our out red snapper filets that we freeze dried and grinded to powder. Extremely easy to user, very tasty and it comes with valuable omega-3 and omega-6 fat acids.

Application of this supplement is extremely easy. You sprinkle a small portion of the fish-powder over your pet`s food and give it thereby a more intense taste.

- without any additives
- 100 % nature
